

Community Education Department
Program Report
October 2014

- Community Education has kicked off the Holiday giving campaign, starting with our October coat drive. To date, we have received 10 new coats from donors around the Harvey community, including South Suburban College.
- Community Education helped celebrate the retirement of South Suburban College Jane Stocker. Ms. Stocker was the Director of Community Education and Adult Education for the college and a great supporter of Harvey Public Schools, District 152. South Suburban College will continue their Community Education program but the replacement for Mrs. Stocker has yet to be determined.
- Parents and Community members will be able to view last month's Dr. Maya Angelou celebration on Harvey Access Cable channel 19 or you may check out the copy of the DVD with Ms. Bolton in the Community Education office.
- Community Education attended the Gala for My Joyful Heart organization. My Joyful Heart is an organization that help support the over 190 students from our district. It's always a honor to celebrate with them as they, so generously, gives to our students.
- The Community Education department is committed to making sure the community is aware of all upcoming events and activities. They are as follows:
 - Heather Health Care Annual Halloween Adventure
Friday, October 31st 3:00pm-5:00pm 15600 Honore 708-333-9550
