

SUBJECT: Consideration and possible approval and adoption of TASB Localized Policy Update 127, affecting the local policies designated on the attached Instruction Sheet.

BACKGROUND: Update 127 focuses on necessary changes due to updated state and federal laws, state and federal rules, AG opinions and case law, including but not limited to administrative rule changes that have flowed from the 89th Texas Legislature. It affects 50 Legal Frameworks, and 10 Local Board Policies and/or Exhibits. In addition to the legally prompted changes, TASB is also recommending organization-based changes to the DH and DP policy series, along with corresponding revision references to the affected policies throughout the manual. Following this page, you will find the Instruction Sheet for Update 127. For information about the specific changes recommended to each Local Board Policy in Update 127, please refer to the printed or electronic Policy Update Booklet. Information specific to the changes to the District's Legal Framework is also included in the electronic version of the Booklet.

FINANCIAL IMPLICATIONS: TASB fee for Update 127 is \$1,124.00 to be paid with budgeted local funds.

RECOMMENDATION: We recommend approval and adoption of TASB Localized Policy Update 127, affecting local policies designated on the attached Instruction Sheet.
