

SUBJECT: Consideration and possible approval of final electrical service easements for the 2022 Bond New Jessup Elementary School Replacement Project in the amount of one dollar.

BACKGROUND: CenterPoint Energy Houston Electric, LLC is requiring the granting of Final Electrical Service Easements for the New Jessup Elementary School Replacement Project. Permanent electrical power has been energized.

The easements consist of the following areas:

- 10' x 300' Electrical Easement
- 16' x 24' Transformer Pad Easement

L1: 10.00'	L5: 24.00'
L2: 39.20'	L6: 16.00'
L3: 24.00'	
L4: 16.00'	

FINANCIAL IMPLICATIONS: One Dollar (\$1.00)

RECOMMENDATION: We recommend approval of final electrical service easements for the 2022 Bond New Jessup Elementary School Replacement Project in the amount of one dollar.
