---

To: Board of Education

From: Drew Bordner & Mike Stepnayn

Date: May 10, 2025

The Curriculum Committee has completed its proposal and recommendations for technology purchases for the 2025-2026 school year. After listening to multiple stakeholders' input, analyzing costs, and reviewing educational trends throughout the country, recommendations were brought to the Curriculum Committee.

State Spot Bid Purchasing and REMC Purchasing Contracts were utilized. These purchases will occur after July 1, 2025, as part of the 2018 Technology Bond Series 2. This follows the 5-year technology plan and comes under the budgeted amount for these devices.

The Curriculum Committee and Directors recommend that the purchases utilizing Technology Bond monies in the amount of \$ 355,536.50 be approved.

Student Devices	QTY	Price	Total
8th Grade Chromebooks	250	\$204.99	\$51,247.50
Middle School Chromebook Replacements	250	\$204.99	\$51,247.50
