

## **ALEDO ISD BOARD MEETING TEMPLATE**

**MEETING DATE:** January 16, 2023

**AGENDA ITEM:** Consider Approval of Board Policy Update EIC(Local) - Academic Achievement Class Ranking

**PRESENTER:** Kim Raymond, Deputy Superintendent

### **BACKGROUND INFORMATION:**

- Board policy EIC(Local) relates to how the District calculates Grade Point Average (GPA).
- During the 2018-2019 school year, a committee of students, parents, and District staff convened to consider significant changes to the District's calculation and reporting of class rank. The revisions recommended by the committee were adopted by the Board of Trustees and were effective with the 2019-2020 school year.
- The revisions that the administration is recommending at this time are:
  - Deleting portions of the policy that are no longer relevant because they addressed GPA calculation for students who have now already graduated (classes of 2020, 2021, 2022, and 2023).
  - Revisions that reflect changes made to state law during the 88th Texas Legislative session that require the District to permit high school students to retake courses even if credit has already been earned. The policy now addresses this situation and stipulates that such courses shall be excluded from the calculation of GPA.
- The Board first discussed this policy revision at the December 18, 2023 Regular Board meeting and is now considering it for approval.
