

FIS School Board Report September 15th, 2025

Welcome Back Week

Welcome Back Week was a success! From a fantastic speaker to classroom work time to grilling hot dogs and brats for our staff, Welcome Back Week was a success. It was great to have staff back in the building collaborating, planning, and preparing for a great school year. We have fantastic staff members in Foley Public Schools who make a world of difference for our students and families.

First Week of School

Welcome back students! The first week of school was a great one. It was fantastic to see so many smiles, laughter, and enjoyment returning to school. Students are off to a great start to the 25-26 school year. We are looking forward to making great memories.

MCA Scores

MCA scores have been released for math and reading with the exception of science. FIS had good results that are much higher than the averages across the state. This is always an area we are focusing on and continuing to grow in.

- FIS MCA Math Proficiency: 56.9%, State Proficiency Average: 45.0%
- FIS MCA Reading Proficiency: 55.4%, State Proficiency Average: 49.5%

PBIS

Our Positive Behavioral Interventions and Supports (PBIS) team is up and running. Our staff meeting our PBIS team re-normed our SOAR, Support, Offer Kindness, Achievement, and Respect, and a variety of other supports for our teachers to use to support students with academic and behavioral growth. Additionally, during our first week of school, students were retaught the behavioral norms in different areas of the school by our school staff.
