Tupelo High School FEMA Shelter Announcement

Mr. Charles Laney

Mr. Charles Laney will make a special announcement concerning the THS FEMA Shelter. TPSD has been informed by MEMA/FEMA that we can begin the construction process with Murphy and Sons.

The next steps in the process will be to have a meeting with the contractor on 11-3-2017 to discuss mobilization of the site and when construction work will begin.

A date for the ground breaking ceremony will be scheduled at a later date.

(TPSD Goal #2)
