The Canvas Learning Management System (LMS) is utilized by Galveston ISD teachers, students, and staff from Pre-K through 12th grade. Canvas is a user-friendly, cloud-based LMS that consolidates digital tools and instructional resources into a centralized platform. It integrates seamlessly with other applications, providing educators and students with a wide range of tools that enhance the accessibility and effectiveness of teaching and learning.

Instructure and the Canvas LMS are procured through the Region IV Omnia Purchasing Cooperative and are fully compliant with the Instructional Materials and Technology Allotment (IMTA) and state procurement requirements. This purchase falls under Region IV Omnia Contract #R250502.
