

Action Sheet

MEETING DATE:

June 17, 2026

AGENDA ITEM:

Discuss and consider approval to purchase the Studies Weekly Social Studies curriculum for Kindergarten through Grade 6 for a four-year period using IMTA and/or IMRA funds in the amount not to exceed \$146,150.

Galveston ISD has used the adopted Studies Weekly Social Studies curriculum for Kindergarten through Grade 6 for approximately the past six years. The program includes both digital and printed consumable components, allowing teachers to differentiate instruction based on curriculum content and student needs. Studies Weekly also provides printed materials in Spanish to support dual language instruction classes and emergent bilingual students.

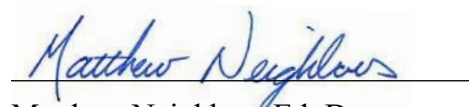

Galveston ISD is requesting approval to purchase four years of the curriculum in order to take advantage of multi-year discounts. Currently, the state adoption schedule indicates that a new Social Studies adoption will occur at the end of that four-year period.

This purchase is not in addition to the purchase presented to the Board of Trustees in May; rather, it will replace that purchase. Additional licenses are needed to accommodate the projected student enrollment.

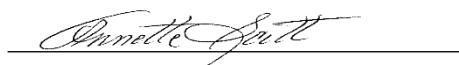

The Studies Weekly curriculum is part of the Region 20 Purchasing Cooperative - #24030.

RECOMMENDATION:

I move the Board of Trustees approve the purchase of the Studies Weekly Social Studies curriculum for Kindergarten through Grade 6 for a four-year period using IMTA and/or IMRA funds in the amount of \$146,150.
