

Action Sheet

MEETING DATE: June 17, 2026

AGENDA ITEM: Discuss and Consider Approval of RFP
2025-26-003 Food Service Equipment –
Various Sites

The GISD Food Service Department is in need of replacing some equipment items in the different kitchens at various school sites. The new equipment includes steamers, refrigerators, heated cabinets, and shelves. As a result of the hard work of the Child Nutrition Department, the Child Nutrition fund has a balance that will cover the cost of the purchase and installation of the needed equipment items. GISD issued a request for proposal request in May 2026. GISD received four proposals on June 4, 2026. A selection committee of three individuals from the Child Nutrition and Business Departments reviewed, scored, and ranked the bids. GISD is recommending Mission Restaurant Supply for the equipment purchase following the scoring results by the committee. Attached is the scoring sheet from the four bidders. The total cost of equipment and installation is \$130,439.00.

RECOMMENDATION: I move the board approve and award
2025-26-003 Food Service Equipment to
Mission Restaurant Supply in the
amount of \$130,439.00
