**Re: Annual review and adoption of independent sources for training**

Consider adoption of resolution regarding annual review of Section 2256.008(a), Texas Government Code, approving independent sources of instruction for district investment officer training.

Three new training sources have been identified and added to the list. They are North Central Texas Council of Governments, Texas Municipal League, and Texas State University. All other training sources remain the same. The name of the Regional Education Service Centers has been updated from Regional Service Centers.

**RECOMMENDATION:** The Board of Trustees adopt the resolution approving the list of independent investment officer trainers as presented.
