Recommendation(s):
We would like the Board's guidance as to how they would like us to proceed with the bag restrictions going into the 2026-27 school year.

Purpose:
Gather support for a shared decision around bag restrictions for the 2026-27 school year and moving forward.

Background:
Information has been presented to the College and Career Readiness Committee at several meetings throughout the 2025-26 school year. A Safety & Bag Update Board Workshop was also conducted on April 20, 2026. Additionally, feedback has been gathered from a variety of stakeholder groups that included students, teachers, and parents.
