Re: Credentials and Records Extension Form – School Board Meeting Item
DATE: May 4, 2020

Due to the current Covid 19 crisis and Pearson Testing Centers closures, new to district teachers that are not bilingual certified/endorsed could not attempt to attain the Bilingual endorsement (PK-6) or ESL Endorsement (7-12). As a result of these factors, several new to district teachers are unable to attempt any assessment to be able to meet the required endorsement for continuing employment by the end of the 2019-2020 school year as stated by DBA (Local) policy under Credentials and Records. Attached you will find a form to request an extension for one (1) year to meet DBA (Local) employment requirements for new to district teachers under the above-mentioned circumstances. I am respectfully asking for your approval and/or guidance to approve this form. If you have any questions do not hesitate to contact me.
