

Cameron Elementary School
Principal's School Board Report
April 28, 2025

March 24-April 11 - K-4 Aimsweb and Fastbridge Testing - I would like to thank our entire staff for the effort and time it took to complete the district and state assessments. This went off very smoothly, but it took a lot of work and organization.

April 7-11 - Our 4th & 3rd grade students took the Wisconsin Forward State Assessment. I would like to thank our staff for working so hard to have a positive learning environment for our students. Mrs. Olson and Mr. Meznarich worked very hard to make sure this runs as smoothly as possible and to get our student make-up testing completed during our allotted time.

April 4 - Cameron Elementary hosted its Spring Fling concert for students in grades K-4. The students along with Mrs. Traicoff-Stratioti do a wonderful job with this program. I would like to thank Mr. Maresca and the office staff for setting up the gym seating and other props. We had another spectacular turnout from our Cameron Community.

April 23 - Cameron Elementary conducted our annual tornado drill. With our students completing state and district assessments, we moved the drill to April 23.

April 23 - I would like to thank those who helped deliver Butterbraids. There was a large amount of boxes to give to families and a lot of work was required. I would like to thank those who helped make this fundraiser so successful. Thank you to our Cameron Elementary staff and Cameron Community.

April 24 - The 2nd grade students met with Cameron Community Bank to go over personal financing. I would like to thank our Community bank for supporting our students and schools.

Upcoming Events

- | | |
