PPCD--6
Pre-K--40
Kinder--71
First--57
Second--67
Third--63
Fourth--54
Fifth—44

Total Enrollment: 402

Our official Grand Opening Ceremony was a successful event. OES is appreciative of the community support given to them for that event. We are especially grateful to the Middle School and High School campuses for contributing their time to attend. Additionally, our PTO generously provided lunch for our guests at the conclusion of the program.

Report Cards went out on Wednesday, October 6th.

Our annual participation in Jump-Rope for Heart has begun. Coach Porter does a great job incorporating jump rope activities into the PE curriculum to help support this worth-while cause.

Parent Preview Nights for the upcoming 2nd six weeks have concluded. This event allowed parents to gain information about their child's core subjects and the learning objectives that their children will be expected to master for this six weeks. Mrs. Esparza is also posting this information to our website. The 3rd six weeks Parent Preview Nights will occur again on November 1st and 2nd.

OES is making plans to provide a special dinner for our district's Custodial and Maintenance staff. We are doing this to show our appreciation for their assistance in moving us to our new building.
