

Consider approval for purchase Eduphoria

1. Background

The Curriculum & Instruction department is requesting the purchase of licenses for Eduphoria Premium for staff. All campus will utilize the suite for ongoing reporting and analysis of data from state and district assessments. The software will also be utilized for lesson plan documentation, TESS evaluations and professional development documentation.

2. Process

Pricing was competitively procured through the Student Software and Education Software Subscriptions (RFP 2223-121)

3. Fiscal Impact

The total cost of the suite is approximately \$90,200.00. Campus budgeted Title I funds will be used.

4. Recommendation

It is recommended that the Board approves the purchase of Eduphoria suite licenses at the cost of approximately \$90,200.00.

5. Required

Board action.
