

Consider approval for purchase NWEA MAP Growth and Reading Fluency

1. Background

The Curriculum & Instruction department is requesting the purchase of student licenses for Reading, Language Usage, and Math assessments and training for staff from NWEA-HMH. All elementary campuses will implement MAP Growth for Reading, Language Usage, and Math, as well as Reading Fluency for Kindergarten through 3rd grade. Professional learning resources will be utilized for ongoing reporting and analysis.

2. Process

Pricing was competitively procured through the Instructional Materials and Assessment Test Prep Materials (RFP 2223-120).

3. Fiscal Impact

The total cost of the suite is approximately \$107,000.00. Campus budgeted Title I funds will be used.

4. Recommendation

It is recommended that the Board approves the purchase of NWEA MAP Growth and Fluency licenses at the cost of approximately \$107,000.00.

5. Required

Board action.
