

Consider approval of the Resolution for Bexar-County 4H for the 2026-2027 school year

1. Background:

By the attached letter, the Texas AgriLife Extension Service is requesting that Bexar County 4-H be approved as an extracurricular activity and grant staff adjunct faculty status for the 2026-2027 school year. Members and students participating in 4-H Extension educational activities, projects and events will be counted in attendance for the Foundation School Program purposes. The Bexar County Extension Director, or her/his designee who meet all necessary criteria will be recognized as an adjunct faculty for the 2026-2027 school year.

2. Process:

Bexar County 4-H must be approved as an extracurricular activity in order for students to participate without accumulating unexcused absences.

3. Fiscal Impact:

No cost to the district.

4. Recommendation:

That the Board approves the resolution for Bexar County 4-H for the 2026-2027 school year. In addition, the resolution will be signed by the Board of Trustees President and the Superintendent.

5. Required:

Board action.
