Re: 2025-26 Board Meeting Calendar

Recommendation:

It is the recommendation of the Superintendent to approve the attached FY26 Board Meeting Calendar. Additional meetings may be added at any time if deemed necessary.

Background:

We anticipate that we will be able to have our regular meeting calendar for the 2025-26 school year. This includes no meeting in July and potentially a Joint Board meeting in the Spring with Districts 25, 33, and 94.
