

**GOVERNING BOARD AGENDA ITEM
AMPHITHEATER UNIFIED SCHOOL DISTRICT NO. 10**

DATE OF MEETING: **October 24, 2017**

TITLE: **Approval of School Name Change at the Arizona Department of Education**

BACKGROUND:

The Arizona Department of Education (ADE) requires that Governing Boards approve the modification of the Entity Profile for each school. On August 22nd, the Governing Board approved the forms to request that the Arizona Department of Education (ADE) modify the profiles of our online programs. On these forms, Amphi Academy at Donaldson (Kindergarten through 6th grade) was eliminated and Amphi Academy at El Hogar (7th through 12th grade) added the Elementary Grades. The form submitted also contained the renaming of El Hogar to Amphi Academy Online.

The Arizona Department of Education is unwilling to accept the name change on the Entity Profile form and is requesting a separate action by the Governing Board for the name change.

RECOMMENDATION:

The Administration recommends that the Governing Board approve the change of the name of Amphi Academy at El Hogar to Amphi Academy Online with the Arizona Department of Education.
