Facts of this Matter:

The ZCHS Athletic Department is requesting Board approval for the acquisition of additional bleachers for the ZCHS tennis facility at the 875 complex.

Objective POSITIVES related to this item or approach:

The additional bleachers will increase seating capacity to a level that is more aligned with the HCC Conference Schools. We are scheduled to host the HCC Conference Tournament and potentially the IHSA Sectional and the additional bleachers will help accommodate the increased crowds for these types of events.

Objective NEGATIVES related to this item or approach:

The only negative to this is the cost but we have been saving and budgeting in order to best prepare for this cost. BSN also has a nice promotion going where if we buy two sets of bleachers then we will receive two smaller sets for free.

Opinion/Recommendation:

It is the recommendation of the ZCHS Athletic Department to purchase the new bleachers at a total cost of \$11,091.98. The funds would come from the ZCHS Athletics ECA.

Financial Implications, if any:

None
