– Brandy Manning 4th grade Teacher

Fabiola is a fourth grader at Waterford Oaks Elementary. She was chosen by her teachers as Star Student because of her great attitude towards school and friends, exceptional character, and strong academics. Fabiola’s favorite subject in school is Science, but when she has extra time, she enjoys listening to music, talking with friends, and playing basketball and soccer. In the future, Fabiola would “love” to go to college and study fashion. When asked what others say about her, Fabiola replied, “My friends say I have pretty hair. A lot of people said I did a good job at the Christmas program. My family says they love me, but most importantly, they say they are proud of me!”

Fabiola lives in Cedar Hill, Texas with her parents and her younger brother Esteban.
