2026-27 GOALS FOR CORDOVA JR.-SR. HIGH SCHOOL

- 1) Maintain the current upwards growth and achievement trajectory in English Language Arts as measured by NWEA MAPS.
- 2) Implement a focused Math intervention to result in an upward growth and achievement trajectory as measured by NWEA MAPS.
- 3) Refine staff collaboration through new weekly staff meeting protocol and Special Education framework.

These goals were developed based on prior year's goals, current student and state data, and conversations with district and community stakeholders.

FRIDAY TUTORIALS/RTI-MTSS*

Friday Attendance, Tutorials, and Interventions

Attendance by Grade

Friday tutorials

CHS will continue to utilize the Friday schedule as an integral tool for supporting students who need additional academic support. This dedicated time allows students to work directly with their classroom teachers on targeted skills without missing core content instruction during the regular school week. Current data visualizations reflect several key indicators: total CHS student enrollment, the number of students attending Friday tutorials and interventions, the total number of tutorials and interventions provided, and the number of students traveling each Friday. Attendance figures have also been disaggregated by grade level to provide a clearer understanding of participation across the school. CHS remains committed to refining our support systems and ensuring that all students have access to the resources they need to succeed.

CHS Schedule Changes

To help drive growth and achievement for CHS students, CHS has split the upcoming 7th grade class for all core content classes to include English Language Arts, Math, Science, and Social Studies. Additionally, elective offerings have been increased to help manage class size vs. materials and resources. This will allow for more personalized instruction and for students to receive more meaningful time with a quality instructor. Additionally, CHS will continue to offer two sections of Algebra I to eliminate teaching Algebra to advanced 8th grade students and standard 9th grade students in the same period and class.

CHS has also added an additional staff member to teach 7th and 8th Grade Math, Algebra, Algebra II, and Business Math. Adding an additional staff member also allows us to return AP Biology and AP Physics sections to CHS.

Infrastructure Improvements to CHS

CHS housed the National Guard while they performed work at Shepherd point this summer. As part of the Guard's community outreach effort, Guard members worked on a number of infrastructure improvement projects at CHS. These projects include:

- Replacement of the wolverine sign above the outside entrance.
- Painting the multipurpose room.
- Painting the downstairs hallway next to the shop.
- Installing a raceway and electrical outlets to create student workstations in the office hallway.
- Installing a raceway and electrical outlets in the multipurpose room to support a study area, and hospitality room.
- Installing a new sink and running water for the steam classroom
- Installing new kickboards in the main hallway

CHS would like to offer a special thank you to all of the guardsmen who helped to increase the functionality of the CHS campus this summer.

IMPORTANT UPCOMING DATES

July 27, Mon: 1st Day XC Practice @ CHS

Aug 3-7, Mon-Fri: Volleyball Camp @ CHS

Aug 10, Wed: 1st Day Swim Practice @ CHS

Aug 10, Mon: Representative Stutes at City Council Work Session

Aug 12, Wed: New Teacher Orientation @ CHS

Aug 12, Wed: School Board Meeting @ CHS

Aug 13-14, Thurs-Fri: Teacher In-Service @ CHS

Aug 14, Fri: CHS 7th Grade Orientation @ CHS
