Subject: Approval: BPS Activities Eligibility change Policy #3520

Description: Going back to an old policy with some small amendments that keep us up to date with our technology. These changes also reflect college more than the standard 2.0.

These changes to the policy help us at the Middle School level because the middle school does quarter grades and the 2.0 is based off of semester. Infinite campus does not allow us to do quarter grades for eligibility.

The amendments will help BPS Activities liability in all schools and give us a simple standard that the district, our students and the community will better understand.
