Regulation: -----

Montana High School Association Policies

All students participating in extra-curricular activities at Browning High School must meet the academic eligibility and enrollment requirements in Browning Public Schools in addition to the rules and regulations stated in the Montana High School Association (MHSA) Handbook.

MHSA statements are as follows: MHSA Handbook Article 2, Section (2) Eligibility.

“To be eligible to participate in an Association Contest, a student must be regularly enrolled in school, must be in regular attendance from the enrollment date, and received a passing grade in at least twenty periods of prepared class work or its equivalent in the last previous semester at the school where the student participates...”

Interpretation of the above Article is that students will be enrolled in at least two credits of classes while participating in Extra Curricular activities at Browning High School.

MHSA Handbook Article 2, Section (2), Academic Eligibility

“To be eligible to participate in an Association Contest, a student must have received a passing grade in at least twenty periods of prepared work per week or its equivalent during the last preceding semester in which he/she was in attendance. If a student is assigned an “incomplete” or a “condition” in a subject, he/she has not received a passing grade in this subject. The record at the end of the semester is final and scholastic deficiencies may not be “made up” in any way. This section shall not apply to students committed to Pine Hills School or to students assigned to MHSA interscholastic activities as part of their Special Education Individual Education Plan (I.E.P.).”

Interpretation of the above Article is that students must earn 2 credits during the semester prior to the sport season in order to participate in a particular sport. Passing four classes worth 1/2 credit per semester will meet this standard. P.E. and Office Aide classes are worth 1/4 credit per semester.

MHSA Handbook Article 2, Section (15), Award Rule

“No award exceeding fifty dollars \$100.00 in value shall be given per event in any MHSA sanctioned sport or in any MHSA sanctioned interscholastic activity by a member school, by any person or by an organization to a student in recognition of that student’s achievement or participation in any interscholastic activity. An event is defined as a sports camp, an invitational tournament/meet, a post season recognition (i.e. sports banquet), or fund raiser or similar function. Cash cannot be awarded.”

Violation of this rule will render the student ineligible in the MHSA sponsored sport or activity for the student received the award. The Board of Control will follow the same procedure for restoring the eligibility status as provided in the last paragraph of the Amateur Rule, Article II, Section (16) of the Handbook.
