

Medford Public School
ISD #763

Medford School Board Meeting
October 19, 2015
Medford Elementary School – Mr. Ristau

RSVP 2015-2016

The Retired Senior Volunteer Program is coming back after a successful 2014-2015 school year working in the Medford Elementary School. The Open House that was held on October 9th was a success. We have 16 senior volunteers ready to be placed into classrooms.

JUNIOR ACHIEVEMENT

Junior Achievement is the world's largest organization dedicated to educating students in grades K-12 about entrepreneurship, work readiness and financial literacy through experimental hands-on programs. Volunteers from the community are trained prior to coming to the classrooms where they share their experiences and deliver the Junior Achievement curriculum. At this point we are working to register classrooms and match volunteers. We worked with Junior Achievement last year and had a positive experience. The focus will be in grades K-4.

FIRE SAFETY

October 5-9 was Fire Safety Week. On Thursday (8th), the Medford Fire Department presented to our students in grades K-3. This year the Department brought two vehicles with to show the students. Students received fireman hats and a booklet as well.

ENTRANCE SIGN

We are excited about our new entrance sign! If you have not noticed, MEPA donated funds to purchase signage that says ELEMENTARY over the elementary entrance. It looks great!

OCTOBER 14 - DATA DAY

IXL training
Analyze student data across content
Map curriculum to standards to ensure they are being taught
PLC work

Community Education
