

Good evening school board members,

On behalf of the Junior and Senior Prom committee I would like to request the donation of bus transportation for the 2023 Enchanted Forest Prom on Saturday April 29th. This transportation is greatly appreciated and ensures the safety of our kids on prom night. I have attached our itinerary for the evening. We also would like to extend an invitation to the driver that evening to join us for dinner during the event.

Warm regards,  
Stephanie Skaret
