News from Mr. Regal

Hello Evergreen Family,

Last month, I shared the top two things that parents can do at home to support their children and here are two more ways to support your child:

Model the value of learning, self-discipline, and hard work.

Examples: Communicating through questioning and conversation, demonstrating that achievement comes from working hard.

Express high but realistic expectations for achievement.

Examples: Setting goals and standards that are appropriate for children's age and maturity, recognizing and encouraging special talents, informing friends and family about successes.

These are just a few more ideas that parents can do at home to support your children. Please continue supporting your student(s) at Evergreen, **we appreciate the support in educating your child!!!!**

Have a Magnificent March,

David Regal

PS- We took a little dip in our attendance over the last 2 months and hopefully we are starting to feel better and the flu season is getting behind us! **Daily Attendance** is crucial in the development of each and every child, and I remind students that if we are not in school we are missing out on **LEARNING!!!!** **Our school goal** is to have a **92% attendance rate for the year!!!!**

Please help us reach this goal by making sure your child is at school and on time daily!!!!!!

Child Find for Special Education

Public Law 105.17, known as the Individuals with Disabilities Education Act (IDEA), requires that school districts provide a free and appropriate education to all disabled children and young adults from birth through 21 years of age. The Three Rivers School District requests assistance with the identification of any disabled children ages Birth through 21 who are not enrolled or currently being served in one of the District's schools.

If you know of any disabled children ages 0 through 21, who are not receiving education services, please call the Three Rivers School District Special Education Department at 541-862-3111 x 5202.
