Dear BOE,

This is a difficult situation. Thank you to everyone putting in the time and mental energy to make the best of this.

I am curious to know if we have considered using the school building as a daycare that would facilitate distance learning when that time comes. It could be run by someone other Than the BOE - perhaps WRD or our Extended Day Program. This would allow for a cohorted place for working parents to send their children.

Sincerely,
Barbara Ahern
