BACKGROUND:

SkillsUSA is a partnership of students, teachers and industry working together to ensure America has a skilled work force. The SkillsUSA Arizona Championships is the premier showcase for Arizona's trade, technology and service students. This annual conference features 70 skill and leadership competitions that determine who will represent Arizona at the national SkillsUSA Championships.

Employers, experts from industry and educators work together to design, judge and recognize our members for their accomplishments in competitions that have real-world challenges. Contestants use math, science, reading and language skills in conjunction with hands-on technical skills to compete against the best in Arizona. Currently, more than 14,000 teachers, students, and school administrators serve as SkillsUSA Arizona members.
