Regular Meeting September 23, 2019

FOR ACTION

Subject: Approval of the Superintendent's Performance Goals for 2019-2020

Attached are the goals I presented to the Board of Education at the last regular meeting on August 26. This year, as opposed to prior years, I will be using the aggregate RIT score growth as generated from the Spring 2019 to Spring 2020 results from the Measures of Academic Progress as my required goal for student ongoing growth. The initiatives presented in the implementation of the Strategic Plan have also been added as performance goals for me this year; although I will be depending on the work of those within the organization to ensure these initiatives are implemented with integrity. The performance goals are attached for your review and approval this evening.

It is my recommendation to the Board to approve my performance goals for the current school year as presented.

Recommendation: The Board approve the Superintendent's Performance Goals for 2019-2020 as presented.
