BOARD OF EDUCATION WYLIE INDEPENDENT SCHOOL DISTRICT ABILENE, TEXAS

AGENDA ITEM: D-6 **DATE:** 8-8-11

SUBJECT: Consider Resolution Committing Fund Balance in

Accordance with GASB 54

********* ACTION ********

BACKGROUND INFORMATION:

The Governmental Accounting Standards Board (GASB) released Statement 54 -"Fund Balance Reporting and Governmental Fund Type Definitions" on March 11, 2009 which is effective for fiscal year ending August 31, 2011. This new Statement is intended to improve the usefulness of the amount reported in fund balance by providing more structured classification. This Statement applies to fund balance reported in the General Fund, Special Revenue Fund, Debt Service Fund, Capital Projects Fund and Permanent Fund. This Statement does not apply to Enterprise Funds, Internal Service Funds, and extremely restricted reserves.

GASB 54 will change how fund balance is reported. The hierarchy of five possible GASB 54 classifications is as follows:

- Non-spendable Fund balance includes amounts not in spendable form, such as inventory, or amounts required to be maintained intact legally or contractually (principal endowment) (e,g, inventory, pre-paid items, permanent scholarships).
- **Restricted Fund Balance** includes amounts constrained for a specific purpose by external parties (e.g. Debt Service, Capital Projects, State and Federal Grant Funds).
- Committed Fund Balance includes amounts constrained for a specific purpose by a government using its highest level of decision making authority (e.g. Major Maintenance, Capital Replacement Reserve, Land, Hail Reserve, and Campus Activity Funds).
- Assigned Fund Balance includes general fund amounts constrained for a specific purpose by a governing board or by

an official that has been delegated authority to assign amounts.

• **Unassigned Fund Balance** is the residual classification for the general fund.

In addition, governments will be required to disclose more information in the notes to financial statements about amounts reported in fund balance as follows:

- Description of authority and actions that lead to committed or assigned fund balance
- Government's policy regarding order in which restricted, committed, assigned, and unassigned amounts are spent (contained in attached resolution)
- Description of formally adopted minimum fund balance policies (contained in attached resolution)
- The purpose of each major special revenue fund
- Encumbrances, if significant

ACTION RECOMMENDED:

Board approve resolution establishing Fund Balance Policies as required by GASB 54.
