

Environmental Education Committee Agenda/Minutes 2022-2023

Date: Tuesday, October 18 , 2022
Environmental Education Committee
Time: 3:30-4:30

Members Present:

EE Committee Mission- To support EE Goals and Initiatives

Norms:

Stay on task, if off task put drink or prop in the middle of table

Be on time, if not you will be clapped for

Time keeper-

Recorder- Abi

Facilitator-Melanie

EE Committee Meeting Goals:

-monitor EE goals monthly

-initiatives

Norms:

Be on time. Stay on task. Assume positive intent. Have fun!

Goals discussion:

We are still waiting to hear back from Osprey Wilds on our final approval of EE Goals.

- Has anyone started working toward their goals?

Solarium:

Plants have been planted in the soil beds and the aquaponics system. I believe the mold issue has been resolved, however it needs to be monitored closely.

Aquaponics system needs additional filtration and stones for the beds. Materials have been ordered. Melanie will install when they arrive. Once the system is running smoothly, could we ask the kids in EE class to monitor the system?

School Forest:

The paths in the school forest still need to be looked at. Is there any class/classes that we could get to volunteer? Help is needed with this.
