

Board Report 8/10/26

Carpet is done at the elementary, and the gym floor will be done before school starts.

Carpet and floors are done at the middle, and gym floor is refinished.

High school gym floors are refinished, rooms have been repainted and some floors got repainted also.

We got some of the middle school field equipment in and getting them installed.

Working on the storage shed for the field, and the maintenance shed on the north end.

We are hiring a new bus driver for route 6.

We still need sub drivers.

Got a new chain link fence and gates at the elementary bus lane.

Getting new chain link fence with bottom cable installed for the lower field at the elementary.

Dan Aberasturi.
