Re: Board Report - Homedale Middle School

Enrollment

During returning student registration, we had 82% of students show up during their allotted time.

- Throughout next week, we will call all students (18%) that did not attend to inquire about their enrollment.

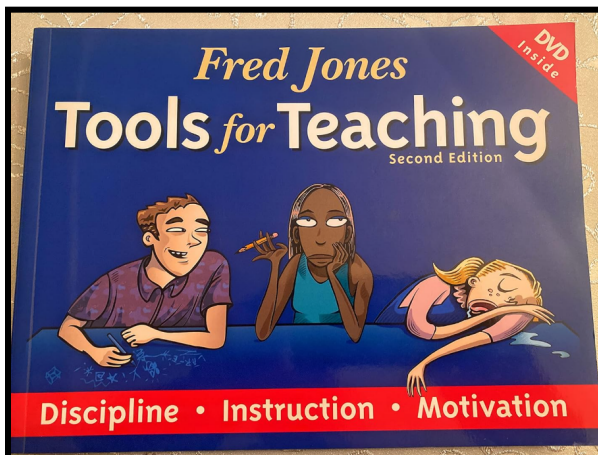

During new student registration, we had 14 “new to” Homedale students register.

Classroom Management Professional Development

On August 3rd, we had four staff members attend a classroom management professional development centered on the Fred Jones book *Tools for Teaching*.

This group of teachers will meet 12 times throughout the first semester to gain important skills related to classroom and behavior management.

New Floors

Recently all of our hallway, restroom, and cafeteria floors were resurfaced. These improvements definitely add a positive visual appeal to the middle school.
