Re: High School Principal Report June 2026

Greetings from HHS!

We are once again closing in on our return to school here at HHS. This is the second year in which the completion of registration for returning students was done in the Spring! This means that the heavy lift of registration is already complete and makes for a little bit lighter as we start the school year as students come in and pay fees and pick up schedules. Once again a huge thanks goes out to Kristie Dorsey, Margaret Lejardi, Sherri, Nikki and all the teachers that helped in the Spring with getting kids registered. We are excited to see the continued benefits of that work as we jump into the 2026-2027 school year!

We are looking forward to the start of the 2026-2027 school year at HHS! Teachers will be back in the building on Monday August 10th with students back on the 18th. Students have also begun one of our favorite back-to-school traditions—painting their senior parking spots. The colorful designs are bringing personality and school spirit to campus while celebrating the Class of 2027.

It should be another fun and exciting year as we work to help our students achieve their dreams.

As always we are truly blessed to be here and to be a part of HHS!

Matt Holtry
