

REQUEST FOR COUNCIL ACTION

Meeting

Date: June 9, 2026

AGENDA SECTION: General Business

ORIGINATING DEPT:
Public Works / Finance

ITEM DESCRIPTION: 2026 Capital Equipment Plan – Replace Bobcat T5610 with Bobcat UW56 (Toolcat)

PREPARED BY: S. Hale & K. Grabau

As per the approved 2026 Capital Equipment Plan and the 2026 Budget the Bobcat T5610 is being recommended for replacement.

The cost of the replacement for the T5610 with the UW56 is \$68,508.38. We will be trading in the T5610 to Bobcat at a value of \$44,000. This will bring the final cost to \$26,591.88.

We are adjusting our Capital Equipment Purchases to stay within our overall allocated budget for the year.

We are using the State contract pricing with Sanco/Bobcat and are recommending using our local dealership for this purchase.

COUNCIL ACTION REQUESTED

Approve/deny the purchase of the Bobcat UW56 (Toolcat)
