2. Miles Clifton and Adam McKane joined SFD as probationary firefighters on 6/8/26. Junior Firefighters Jayda Ramaker and Asher Paulson also started their probationary period as firefighters as they exited the Jr. Firefighter program. Their probation will run through 12/8/26.
3. \$6,775 was invoiced to the MBFTE for reimbursement for the past years' training expenses. We did not use our full reimbursement award due to much of our training being conducted by our own members with little to no cost associated with it. We plan to integrate more outside training to fully take advantage of this benefit.
4. Multiple members volunteered extra time during 4th of July events including providing EMS coverage for the Summerfest runs, grand parade, and fireworks.
5. Our First Due account is now receiving dispatch information and we are in the process of refining the data that will automatically populate in the new software. We will see much better data collection, ease of reporting, and national standard compliance among many other benefits of this asset being fully implemented this year.
