Date	Upcoming Program	Staff
	See Attached Program Calendar	

Additional Items and News:

Expansion: The library needs to get smaller before it gets larger. To handle the weight of the additional roof the support pillars at the southern rear of the library need to be reinforced. And to do that Benike needed to take over our storage room. Big thanks to Public Works for taking out the shelving in there and Jeff and Dona for helping me haul stuff to their new, temporary homes. Also, masonry work starts this week!

July 2026
