RE: Consent Board Item Request for the acceptance of the City of Eagle Pass Operation Connectivity Contribution

Due to the COVID-19 pandemic, the office of the governor created an initiative known as Operation Connectivity, so that districts can provide home internet access to their students. Under this initiative, school districts are encouraged to partner with other local government entities to help fund this initiative through the use of Coronavirus Relief Funds (CRF).

The City of Eagle Pass, under the leadership of the Honorable Mayor Luis Sifuentes has committed a contribution of \$50,625.00.

I am requesting that this item be included on the October 12, 2020 board meeting agenda to accept this most generous contribution.

If you have any questions, please contact me.
