BEAR, Building Early Academic Readiness

The BEAR Program participants recently had their end of the year celebration. This year's program supported 20 families that included 28 students. Families received a backpack of children's books and resources pertaining to early literacy development. Students and their families logged books read at home to their younger siblings and turned them in throughout the year. During the celebration, all participants received a ribbon, certificate, and a new book. The top three families that read the most books received a bag full of books and games for the whole family. Congratulations to our Winners!! In 3rd place; Gabriella and Natalia Mercado's family read 88 books. In second place; Alexi Henderson and Stevie Mead's family read 290 books. And our GRAND PRIZE winner was Neo German's family for reading 720 books!!!!.

The BEAR Program will continue in the fall for the 2017-2018 school year. If your family is expecting a baby or has a child in the home up to two years old, you are eligible to participate. Information will be sent home as we return to school. Program Coordinators: Mrs.. Campbell/Ms. Gragg

ALL ITEMS NOT CLAIMED WILL BE GIVEN AWAY on 6/16/2017.

Kaleidoscope Play and Learn Group

Kaleidoscope Play and Learn brings together young children and their caregivers in facilitated play groups. It is designed to provide support and information to children's parents and caregivers to what they can do at home to support early learning, child development, and kindergarten readiness skills. During our play & learn group, parents and caregivers stay and are involved throughout the session. We talk about what children are learning and how it connects to school readiness. Families play together using different household materials, toys, blocks, and such so that young children are getting great early learning experiences while families are learning what they can do at home using materials they would find in their closets, cupboards, and kitchen drawers. At the end of each session, each child receives a "take-away" related to the daily theme. This might be a storybook, flashcards, ABC/number magnets, crayons, etc. This year's group consisted of an average of 12 families including 13 children ages 3-5. During the end of the year celebration, children received a backpack full of books and learning materials. Parents also received a tote with storybooks, and activity book, writing matt, and other learning tools for their children to work on over the summer.

Kinder Bound After School Kindergarten Readiness Class

Kinder Bound is a 10 week long comprehensive program that engaged pre-kindergarteners in a variety of activities that targeted pre-literacy skills, math readiness, language and communication skills, fine and gross motor skills, and social and emotional development. These lessons supported students by reinforcing the knowledge, understanding, and the basic skills needed as they transition from pre-school or home to kindergarten. This year's class consisted of 12 students eager and ready to be Eagles. At the end of the year celebration, each student received a new backpack filled with the school supplies needed for kindergarten.

Title 1 Family Fun Night

This year's Title 1 Family Fun Night was a huge success. Evergreen students and their families engaged in a variety of hands-on activities hosted by our fabulous teachers and assistants. Some of the activities included art projects; flower art, tissue paper flowers, tissue collage, and painting. Others included games, puzzles, and computer games. We also had some really awesome reading, writing, and illustrating activities. Our evening concluded with an ice cream social in the cafeteria followed by four prize drawing per grade level and a handful of random prizes totaling nearly 30 prizes in all. All prizes were geared toward family fun and engagement at home. Thank you everyone for your efforts and participation in making this a great night for everyone.
