Softball

Coach Vaile has been very proud of his team, as he has already seen improvement this season. Our softball team played Whitefish on April 11, 2017, going into the third inning the team had a 3-point lead, Whitefish tied the game up in the 5th inning and we ended up losing the game in the 7th inning. The girls are continuing to make good strides in improvement and are working on small errors that continue to hurt them. Coach Vaile and staff are focusing on improving the fundamentals of pitching and the catcher fundamentals. They are also preparing to work on batting as they feel this is an area that needs improvement. Coach Vaile and staff's focus will be on reinforcing on the fundamentals which will help on taking care of the errors the team is making. The softball team has the following games remaining on their schedule before the divisional tournament; Belgrade, Columbia Falls, Shelby, and the Butte Central Tournament.
