Subject: Authorized TAC I/NET and Vista Sole Provider for Denton ISD

TAC Corporation is a global manufacturer and marketer of commercial, industrial and institutional Integrated HVAC Control Systems, Access Control Systems and Services. TD Industries provides factory commissioning and warranty support for the full range of TAC I/NET and Vista products, as well as direct aftermarket services to existing building owners and end-users. TD Industries is the Authorized TAC Corporation “Systems Integrator” for Denton ISD.

TD Industries must meet stringent company requirements including financial stability, engineering, sales and system support staffing requirements. Additionally, they are required to have their staff attend extensive factory training classes. I am pleased to report that TD Industries has met or exceeded all our requirements for many years. Because of this level of factory support, TD Industries is the only authorized service provider to warranty & repair our TAC I/NET and Vista products for Denton ISD.

Please feel free to contact me at the telephone number listed below should you have any further questions or concerns.

Sincerely,

A handwritten signature in black ink that reads 'Kevin Brown'.
