

# TSD SAPES School Improvement Plan

## User Information

Name: Trish Detert (00000B)	Title:
Building: MS	Department: None
Grade: None	Evaluation Type: Principal
Assigned Administrator: Baker, Cheryl	Evaluation Cycle: 07/01/2014 - 06/30/2015
Submitted By: Detert, Trish	Date Submitted: 10/17/2014 1:09 pm CDT
Acknowledged By: N/A	Date Acknowledged: Unacknowledged
Finalized By: Baker, Cheryl	Date Finalized : 10/17/2014 2:03 pm CDT

This form is due two weeks prior to the October Curriculum and Assessment Committee Meeting.

## Goal 1

**Desired Achievable Goal:** All Tomahawk Middle School students will on average improve their reading levels surpassing the national norms by 10% as measured by the NWEA MAP Spring assessment.

**Annual Goal:** Improve the overall reading performance of each grade level to surpass national norms by 10%: 6th Grade Fall Mean RIT Score in Reading - 210.2 Spring National Norm is 216.4 7th Grade Fall Mean RIT Score in Reading - 212.2 Spring National Norm is 219.7 8th Grade Fall Mean RIT Score in Reading - 223.0 Spring National Norm is 222.4

### We Will...

- Incorporate additional opportunities in all middle school courses to build reading vocabulary and comprehension skills.
- Integrate academic vocabulary across the curriculum in grades 6th - 8th.
- Analyze data to guide implementation of instruction.
- Provide supplemental instruction for targeted students.
- Set individual learning goals with students using NWEA Learning Continuum.
- Provide students with test taking strategies prior to SBAC administration.
- Implement a summer enrichment experience for 6th - 8th grade students.

What progress and outcome measures will be used to measure the success of this plan? When do you expect to meet your desired achievable goal?

- AIMS Web a progress monitoring tool will be used for students that are targeted in need of extra instruction in the area of reading.
- NWEA MAP test will be used as a universal screener for student growth in the specific areas of informational text, Literature, and vocabulary use.

Instructions for the rollout plan: How will you inform people about this plan and how will you get the plan started? Please include how you plan to inform the school board, staff, and parents/students.

### Rollout Plan:

The middle school will collaboratively work to attain this goal in the following ways:

- Common planning time occurs first hour everyday, Mrs. Detert meets with each grade level team once a week for RTI and data meetings.
- Department meetings lead by the Curriculum Leader take place once a week to discuss pacing and content.
- Students identified in need of enrichment in reading have access to the classroom teacher as well as a reading specialist for targeted instruction based on skill level in reading.
- Professional development will include elements specific to this goal.

### Communication Plan

- Parents will receive MAP student assessment results at parent teacher conferences along with a Parents Guide for the MAP test.
- Teachers will individually set goals with student's for each MAP test.
- MAP test results will be available for the school board after the winter testing window closes.
