4th Annual Dart for Art

Thank you GGS students and families for making this year's Dart for Art fundraiser a success! We had a great day out on the field, and raised needed funds for our art literacy program here at GGS, provided by the Community Arts Project. Students raised \$2,693.50 for art literacy this year! This is wonderful support from you for this program that reaches every student in our school.

Mrs. Rumage's class raised the most money this year and earned an ice cream party. Students who ran the most laps received a \$5 certificate to spend at the upcoming book fair and a Dairy Queen certificate.

We want to thank all those who contributed to making this a successful event. Our parent volunteers were awesome, we couldn't have done it without them. Ms. Medici kept the day running smoothly. Students appreciated the yummy cheese snacks, donated by the Tillamook County Creamery Association.

Be on the lookout for October art projects which will hang in the hallways. Students are using acrylic paints to create some eye-catching window-hangers. Parent volunteers are welcome to come help. Contact Ann Harper for information and lesson schedule.

Winter Spirit Week Is Coming!

Spirit Week will look a little different this year. As a staff we have decided that we will combine some of old traditions but also try to narrow our focus of giving. This year our school will be having a coin drive during Dec. 11-15th. All proceeds will be donated to the Garibaldi Lions to support them to bring joy to those in need during the holiday season. We will also be giving the students an opportunity to dress up. Please see the list below to see what coins to bring in and what the dress up days will be for our Spirit Week!

Monday Dec. 11- Penny Day (bring in pennies on this day!) and Crazy Sock Day

Tuesday Dec. 12- Nickel Day (bring Nickels on this day) and Mele Kalikimaka Hawaiian/Beach Day

Wednesday Dec. 13- Dime Day (bring dimes on this day) and Twin's Day (find a person to dress up alike)

Thursday Dec. 14- Quarter Day (bring quarters on this day) and Battle Day

Each class has a color. Please see below for your student's class color!

Mrs. Clark- Blue

Mrs. Baertlein - Green

Mr. Duer - Black

Mrs. Ramage- Yellow

Mrs. Brimacombe - Purple

Mrs. Herder - Pink

Mrs. Shepard- Orange

Mr. Gordon - Red

Mr. Kinstedt - White

Friday Dec. 15- Dollar Day (bring dollars on this day) and Winter Wonderland (make yourself look like you are ready for winter! Stocking hats, winter/ugly sweaters, etc.!)

Also, on this day we have a holiday caroling assembly (1:45 pm) where the school will come together to sing. We will also learn how much money we have raised as a school and which class raised the most money. Parents are welcome to join in the festivities.

The cold is here!

Please send your child to school with his/her coat and wear appropriate clothing for the weather. Recess is outside unless it is raining.

IDENTIFYING CHILDREN WITH SPECIAL NEEDS

Districts are responsible to locate, evaluate, and serve children with special needs including:

*Children with disabilities (birth to 21): Special Education Director, Stacey Dills @ 503-355-3556.

*Children who speak a second language or those who live in a home where a second language is spoken. (Kindergarten to 12th grade)

*Children who are talented and gifted. (Kindergarten to 12th grade)

If you know any child who may need special services (this includes private and home school children), or if you have questions about what services can be provided, please contact the school office.

Smarter Balanced Assessment

Once again our 3rd-5th graders will be taking the Smarter Balanced Assessment (SBAC) in the spring. If you would like to opt-out of your child taking this test, you will need to go to the district website and fill out the opt-out form and submit it to the school by April 1st.

Testing windows will be ELA, April 9th – 20th, math will be May 7th – 18th and 5th grade science, to be determined.

The management of head lice in the school setting should not disrupt the educational process. Evidence-based strategies include:

- Abandoning “no-nit” school policies;
- Educating students on the avoidance of head-to-head contact and sharing of personal items;
- Allowing students to remain in class and participate in school-sponsored activities when live lice or nits (the eggs of head lice) are found on their heads;
- Notifying parents/caregivers at the end of the school day when findings indicate the presence of head lice; and
- Educating parents/caregivers about prevention methods, regular head-checks at home, and evidence-based treatment options. (NASN, 2016)
