

SUPPORTING AGENDA DATA
BOARD OF DIRECTORS, EDUCATION SERVICE CENTER, REGION 20

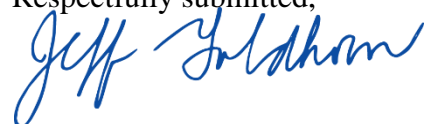

June 27, 2018

SUBJECT: PROGRAM HIGHLIGHT – ESC-20 Data Protection

EXPLANATION: ESC-20 houses several types of data electronically that must be protected at different levels. Our data security and protection program is a multi-product, multifaceted holistic approach to ensure student data, employee data, and product data is protected from both external and internal threats. The data protection briefing will highlight the types of data and protection methods used by ESC-20 Technology Services department.

ACTION: For Information Only.

Respectfully submitted,

Jeff Goldhorn
Executive Director
