Dell Scholars Program

CC Winn High School is proud to announce a Dell Scholar recipient. While many students applied and CCWHS had 6 finalists, only one got selected. Reynaldo Ramirez is our Dell Scholar. The Dell Scholarship program provides a \$20,000.00 scholarship along with textbook credits and a computer.

The Dell Scholars program, an initiative of the Michael & Susan Dell Foundation, recognizes students who have overcome significant obstacles to pursue their educations. 400 scholarships are awarded annually, since 2004, students have been awarded with over \$76 million in college scholarships. The Dell Scholars Program places greater emphasis on a student's determination to succeed than just academic record and test scores. Students are rewarded based on Pell eligibility, highly motivated students who demonstrate the drive to succeed despite personal obstacles. Our scholars have demonstrated grit, potential and ambition in their quest for a college education.
