

FROM THE PRINCIPAL

Dear Parents and Community Members,

On behalf of the students and staff welcome to the Neah-Kah-Nie School District and Neah-Kah-Nie Middle School. Our staff take pride in offering a world-class academic program, and we strive every day to ensure each student learns something valuable to their lives every day. We have earned strong recognition by Oregon Department of Education through strong attendance, comprehensive programs for students, and stellar results on benchmark tests. We strive to meet every student's needs through strong instruction in math, science, language arts and social studies. Additionally, we offer art, band, choir, technology, and PE among our elective classes for students to explore their creative pursuits. We are fortunate to also offer a wide variety of sports teams after school for our students to compete in. Football, Volleyball, Cross

Country, Wrestling, Girls and Boys Basketball, and Track and Field are all offered to our 7th and 8th grade students. 6th grade students can try out for football, basketball and volleyball, and regularly compete in cross country, wrestling, and track and field. Located on the bluff above the high school on the 101 Highway, our students are offered one of the best views of the Oregon Coast around. This view frames the promising educational experience we strive to provide them every day. If you are out of the area and are considering our school district please come by for a visit any time. We would love to show you around and teach you and your child what it means to be a Raider!

Thank you,

Principal | Leo Lawyer

STUDENTS

IMMUNIZATION RATES

Percent of students with all required vaccines: 93
Percent of students without all required vaccines: 7

(The percent without required vaccines includes students with medical exemptions, nonmedical exemptions, no immunization records, or up-to-date but incomplete immunization records. Visit <http://www.healthoregon.org/immdata> for more information.)

When data are unavailable or to protect student confidentiality:

* refers to groups of less than 6 students.

<5 indicates that a percentage is less than 5%.

>95 indicates that a percentage is greater than 95%.

*** refers to a school that offers lunch at no charge to all students.

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.

SCHOOL PERFORMANCE

Performance of students enrolled in the school for a full academic year

Did at least 95% of the students at this school take required assessments? Yes No, Interpret Results with Caution
Participation rate criteria are in place to ensure schools test all eligible students.

The Smarter Balanced and alternate assessments have four performance levels where levels 3 and 4 are meeting the standard for school and district accountability.

2014-15 was the first operational year of the new English language arts and mathematics assessments.
