

Secondary School Board Report

April 2024

Students of Character

- This year CI Seniors Aidan Bendson and Cora Roach were chosen as the Sourcewell Students of Character. Both of them were celebrated April 17th at Sourcewell's Students of Character Banquet. This award also comes with a scholarship. Congratulations to both of them!!

April Early Out

- There is a presentation by several staff members who received training on Artificial intelligence in education earlier this year.
- Staff members will then have time to work on transitioning their course materials from Schoology to Google Classroom in preparation for the 24-25 school year.

23-24 Master Schedule

- The master schedule for 24-25 is mostly completed. Mrs. Doyle is working now on making some minor adjustments to courses to try and get the most students in their preferred classes.
- Special education teachers will begin working on scheduling their students with the help of Liz Lee on April 30th.
- We are still on track to provide students with their schedules by the end of the school year.
