

Information Concerning the Maintenance Department

I wanted to bring you up to date on some personnel changes that I have made in the Maintenance Department:

- *I promoted Ray Sudds from Assistant Maintenance/Transportation Director to Head Maintenance/Transportation Director. I increased his annual gross salary from \$31,899.00 to \$36,000.00. This is a salary increase of \$4,101.00. This salary is \$9,000.00 less than the former Maintenance/Transportation Director's salary.
- *I promoted Tony English from Maintenance Worker to Assistant Maintenance/Transportation Director. I increased his annual gross salary from \$18,192.00 to \$21,000.00. This is a salary increase of \$2,808.00. This salary is \$10,899.00 less than the former Assistant Maintenance/Transportation Director's salary. I need the school board to approve an adjustment to the 12 month Director's Salary Chart to accommodate this personnel change.
- *I hired Jason Johnson as a Maintenance Worker for \$8.00/hour. This is an annual gross salary of \$15,616.00. This salary is \$2,676.00 less than the Maintenance Worker that he replaced.
- *The total savings in the maintenance department is \$22,575.00. I believe that the maintenance department is very capable of handling the daily maintenance operation of our school district.
